# FINISHES

The novolam collection is available in four different finishes, each providing a unique "look and feel", ensuring its functionality in all environments

## STUCCO

Stucco is a highly tactile surface inspired by industrial environments, urban lofts and natural origin materials.

## SILHOUETTE

This linear embossed finish provides a deep-matte effect, creating a highly authentic wood grain. perfect for all applications.

## ALPINE

A stalwart embossed finish, bringing wood grains to life. Suitable for most applications

## TEXTURED

Provides a smooth surface that is great for all environments, whilst maintaining its natural appeal. Ideal for all applications
